Cindy:

Did we ever receive sample results from these analyses?

I have not seen them and it has been quite a while since submittal.

Rick- Are you planning to amend the TD for the 4 Pavillion sludge samples to have them sent to an outside lab?

Rick - Please amend this TD to state that the 4 Pavillion sludge samples for metals analysis should be sent to a sub-contractor for analysis. This should avoid delays to the existing sample load for the metals work assignment.

Please let me know if you have any questions.
